TERMS AND CONDITIONS OF CREDIT RELATIONSHIP

Applicant agrees that any extension of credit is subject to the terms and conditions set forth herein and in invoices issued to Applicant. No other terms and conditions shall become part of any sales agreement, purchase order, or other transaction, unless set forth in writing and signed by both parties. If Skagit Farmers Supply ("SFS") agrees to extend credit, all decisions regarding the granting or continuation of credit are at the sole discretion of SFS and may be terminated at any time. Applicant hereby authorizes SFS to contact credit reporting services and other third parties to determine Applicant's creditworthiness and authorizes the release of credit information from those entities to SFS. SFS assumes Applicant is solvent. Continued solvency is a precondition to any sale made by SFS. Applicant agrees to update this Application and provide financial statements upon request, and further agrees that, if there any outstanding balances currently owing, those obligations shall also be governed by this Agreement.

Applicant hereby agrees that, if credit is granted to Applicant, members of Applicant's family, or persons in the employ or agents of Applicant, Applicant will pay all charges made on Applicant's account. In the event of a lost or stolen card, charge customers are responsible for all transactions made prior to notifying SFS at 360-757-6053 of the loss. Acceptance of goods, without notification to SFS of dispute or defect, shall be deemed an admission of liability for the amounts referenced in the invoice. Charges made during the month are billed on the last business day of that month and statements are mailed as soon thereafter as they can be processed. Statement balances are due and payable in full by the last day of the month in which they are mailed. If there are any parts of the bill that you believe are wrong or you need more information about a transaction you must send your inquiry in writing to SFS within 30 days after the bill was mailed to you. Any unpaid balance owed from the previous billing cycle may be subject to a Finance Charge as set forth below. SFS reserves the right to change these charges. Payment received may be applied against open charges at the discretion of SFS. All payments received or credits given may be applied first to any finance charges and the remainder to the principal balance due. Applicant agrees to be responsible for all collection costs and attorneys' fees incurred by SFS in connection with any delinquent account. The laws of the State of Washington shall be applicable to any action arising out of this Application. The parties agree that Skagit County is the appropriate venue for such an action.
